

Dear Girl Scout Leader,

Just as the Girl Scouts are committed to helping girls build character and skills for success in the real world, [EF Girl Scout Trips](#) is dedicated to helping Girl Scouts see the world. We believe that when young people go abroad, it opens their eyes to a world of possibilities. They become more open-minded and learn how to be more independent. They gain greater global awareness and a deeper understanding of their own culture.

**With 45 years of international experience EF is now launching 16 new itineraries inspired by Girl Scouts.** EF Girl Scout Trips include travel to 5 continents and all of the World Centers! Please visit us online and sign-up to receive our [new catalogue](#). We hope you consider us if you are planning a trip with your troop and/or service unit!
